- Annual Meeting
 - Halifax, May 13-15, Wednesday afternoon workshops, program business all day Thursday, Friday morning
 - Brainstorm ideas for an annual report, maybe on working poor, income inequality

- Annual report??? Rethinking it.
 - Annual report serves three purposes: communications tool, framework for local reporting, market program and data sets
 - Looking at doing an annual report, brainstorming has begun and conversation will continue with the Just-for-Leads Roundtable, at the Annual Meeting, and likely in a working group
 - Create annual report so folks can produce an annual local product, focus on the custom data in the program

- Survey
 - Send this out early February, one for users and one for leads
 - I will distribute this afternoon, please send comments if you have any

- Thoughts for further webinars:
 - ArcGIS online
 - Webinar on using public tools from Statistics Canada to compliment use of CDP data and tools
 - What happens after Beyond2020?

- Next meeting: April 7, 2020 at 1:30 pm ET
